

David Kirkby

Although originally from Cumbria, I moved to Hampshire in 1988 with my wife and three children. I've lived in Oliver's Battery since 1993. All three children went to Kings' School.

I'm a Quantity Surveyor by profession and worked at Hampshire County Council in the Property Services Department until I retired in 2012.

I was co-opted onto the Parish Council in June 2013 and my Council responsibilities include the Recreation Ground.

I was one of the core team responsible for the Oliver's Battery Plan published in 2018.

6 Austen Avenue
Oliver's Battery
