Dear Councillor Kirkby

BID FOR CIL FUNDING - ALL INCLUSIVE RECREATION GROUND PROJECT

I refer to your bid for CIL funding which was submitted for consideration earlier in the year. I apologise for the delay in writing to you, but the bidding process has taken longer than first anticipated.

All the bids received were considered by an Informal Panel on 10th August 2023. The bids were considered and assessed against the criteria set by CIL Regulations and the available budget set aside for community projects. As with previous years, there were many more bids than funding available, therefore the Panel decided to try and support as many bids as possible, especially those that met several of the specified criteria. For that reason, not all the bids could be allocated the full amount requested. Those bids recommended for funding were considered by Cabinet on 17th October 2023

I am pleased to inform you that your bid for funding of £10,000 (rather than £10,034 requested) to provide additional benches, picnic tables and bins at the recreation ground was successful and was recommended by the Panel and formally agreed by Cabinet.

Yours Sincerely

Corinne Phillips
CIL Implementation Officer
