

# **Oliver's Battery Parish Council Meeting 6 February - Agenda item 8.1**

## **Lengthsman**

### **Progress Report – February 2024**

#### Lengthsman Visit on 31 January

On Monday 29 January, the Parish Council was chased by Colden Common PC, who manage the Lengthsman Contract for a local cluster of PCs, for the worksheet for the visit scheduled on Wednesday 31 January. The worksheets normally need to be with the Lengthsman by the Friday before the visit.

After 31 January, there are no more visits for Oliver's Battery this financial year.

As there was no time to report a draft list to the PC for agreement, Cllr Kirkby created a list and submitted it to the Lengthsman on 29 January.

#### Lengthsman Contract 2024/25

Colden Common PC will email the other PCs in the cluster for next year's contract.

#### Recommendation
