

Oliver's Battery News Report Feb 2024

Everything worked well and there were plenty of contributions. I particularly missed one from Connie who has not been well, hence rather a lot from me. Nothing from the school and I feel we must try to engage with them. I do have a vision to grow this publication and make interesting for everyone of all ages. In that area, I need to find a way to contact some of our many teenagers. For example, we spend a lot of time and money on the Rec. How well is this received by users? Just a thought.

For advertising to flourish, we need someone to focus on this (I don't have the time right now). My goal would be a minimum of 2 pages of paid ads and if we grow from current 16 pages, the extra cost will be funded by ads, so it will be worthwhile.

The distribution team need our thanks but I don't know who they are.
