

Recreation Ground Report For Council Meeting on 05 November 2024

Agenda Item 7.1

- Ongoing inspection of swing chains completed.
- Steel pegs for goal nets need to be re-purchased as the last set were too large
- Cable ties to lock nets on to posts not sufficient for the task and need to be re-purchased (current ties are suitable for temporary fix - thanks, cllr. Kirkby)

Agenda Item 7.2

I have received the checklists from Grass and Grounds for the month of October and can confirm the checklist (along with the status of the Defib) comes up with no issues to report.

Agenda Item 7.3

Herewith report received for the month of October from Handypersons group:

Regular Recreation Ground tree inspections carried out.

Two of three play equipments given two coats of non-slip stain.

* Last piece of play equipment (Pirate Boat) may receive non-slip coating by the time of the PC meeting if equipment not too busy during half term week.

* Decided no further watering of trees required. Bowser remains secured in the allotment site until decision taken on winter storage.

* Leaf sweeping can be started when PC decide that it has become necessary.

* Another 2.5 litres of Cuprinol Slip Resistant paint in Boston Teak requested by team (to be purchased by SLJ)
