

Sustainability Report for OB Parish Council November 2024

- Main event for this month is the swish- clothes swapping evening, funded by grant from Jan Warwick.
Planning is going well, making links with other PC's and sustainability groups and charities in the area. Considering promoting the Clothes Pantry.
Event has been advertised in newsletter, on FB. BF website. Posters going up aground both parishes.
- Home energy- recent article in the newsletter promoting our thermal imaging surveys- Eve to ask Steph to share service on FB page too.
-
- A sustainable Oliver's Battery meeting arranged for 28th November with Stu Mills from WeCAN to review recent activities and plan activities/ events for next year.
