

Proposed Public Right of Way (PROW) Sign Report

Background

At the January PC Meeting it was resolved to obtain a quote for a A2 size (592 x 420 mm) sign with clips. If the price is less than £100 an order should be placed for the sign or if over £100 the price is brought back to the next meeting for consideration.

Progress

A quotation, dated 18 February, amounting to £162, has been received from Hampshire Print Services.

As previously noted, fixing the new sign and any adjustment of existing signs will be undertaken by the Handyperson Group.

Recommendations

- Accept the quotation from Hampshire Print Services of £162 for a A2 size (592 x 420 mm) sign with clips and arrange delivery to 6 Austen Avenue, Oliver's Battery, Winchester SO22 4HP.
- The sign to be fixed by the Handyperson Group.
