Is This Policy Suitable for You?

This policy is designed for Local Town and Parish Councils domiciled in the UK who require insurance cover:

- as an employer against damages and legal costs made against them by employees for injury or disease arising out of their employment
- for claims made against them by third parties for injury, disease or damage to property during the policy term
- for claims made against them by third parties for injury, disease or damage to property caused by or in connection with products sold during the policy term.
- against theft of the council's own money, securities or property by an employee, partner, contractor or volunteer.
- for money which is lost or stolen.
- against the cost of compensation claims made against your business's directors and key managers (officers) for alleged wrongful acts.
- against libel and slander for certain events.
- for assistance with legal expenses incurred for certain events. (This element of cover is optional and can be removed if not required.)

We do not give advice or make a personal recommendation in relation to this policy regarding its suitability for your needs. It's important that you review the cover levels and sums insured and read and understand all documentation and policy terms to ensure it meets your requirements.

It is important that you check the levels of cover and sums insured noted on the enclosed documents are correct and reflective of current valuations, and that you are not under insured. Please check the statements and answers that are shown on these documents and let us know if anything is incorrect, as any inaccuracies or omissions may invalidate your cover. Should any alterations be required then please contact our Local Councils Team on 0330 013 0036.

What is Underinsurance?

This refers to inadequate insurance coverage which could leave you unable to claim for your full loss, and making you susceptible to the average rule, reducing your claim further. We recommend you obtain professional valuations for the reinstatement of your Buildings, every three years, to ensure your sum insured is set at the right level, avoiding the potentially damaging effects of underinsurance.

Index Linking

Certain Sums Insured on this policy are Index Linked, which means they will be adjusted annually according to recognised UK price indices. These indices measure the effect of inflation on such things as the price of raw materials and goods and the cost of labour. Each year, the relevant sums insured are automatically uplifted by your insurers. The revised values will be shown on your policy schedule at each renewal and the appropriate revised proportional premiums are charged accordingly. If your policy is subject to a Long-Term Agreement (see below), index linking will continue to be applied annually, and your premiums will therefore fluctuate proportionally, according to the revised values noted in your renewal invitation schedules. These rates fluctuate monthly, according to the most recent recommendations from the selected indices. Typically, different index linked rates may be applied to Buildings, Contents, Machinery, Plant and Equipment. These annual fluctuations are designed to help your sums insured to keep pace with the effects of inflation, however, you remain responsible for ensuring that your declared values and sums insured represent the correct replacement and/or reinstatement values of the items insured, at all times. Further information and explanation on this subject is available on request from Clear Councils.

Secure Your Council Insurance Renewal for 3 Years and Reduce your Premium

You have the option to reduce your premium for the next three years, by agreeing to a Fixed Rate Agreement (FRA) with Ecclesiastical Insurance Office plc, subject to meeting the terms and conditions of the agreement (enclosed). Doing so gives you the benefit of ensuring that your policy will renew based on the same underlying rates as those used for the first year's quotation and is relevant to your Property, Business Interruption and Money sections of cover only. Please be aware that premiums are adjusted proportionally, according to any revised sums insured you declare to us, for example, during the policy period, or in advance of a renewal.

Premiums are also adjusted proportionally, according to fluctuations in the value of annual index linking applied at each renewal by your insurers (as explained above). Your insurers reserve the right to adjust the underlying rates and terms, where there have been claims made during the period preceding a renewal, as detailed in the agreement. Any changes to the rate of Insurance Premium Tax, in accordance with HMRC instructions, will also apply at each renewal. Should you choose to enter the Fixed Rate Agreement, you are making a commitment to maintain this insurance policy until the point of renewal in three years' time. This FRA relates solely to the abovementioned sections of this product and cannot be transferred to another policy or insurer. **Please contact the Clear Councils Insurance Team for a reduced premium option.**
